The lively discussion that followed covered a number of issues including the need for full consultation on Low Traffic Neighbourhoods and the imperative to respond to the latest consultation on the subject found at [newhamco-create.co.uk/en/projects/street-survey](https://newhamco-create.co.uk/en/projects/street-survey), health workers and cycling, the variety of cycle hire schemes in the borough, proposals for Tollgate Rd, the levelling up funding aimed at the south of the borough, Leytonstone Rd, the MSG Sphere, and the QE Olympic Park.

We also discussed some new campaigning tools we could make use of in the forthcoming year which promises to be busy and exciting..
